Fleisher Art Memorial is an Act 48 provider. Classes at Fleisher are not only stimulating, collaborative and engaging, they are also low-cost. At Fleisher, we believe that the opportunity to create art under the instruction of the city's greatest artists should be available to everyone, regardless of economic means, background, or artistic experience. Including arts-based learning in your professional development will bring new creativity and inspiration to your classroom teaching.

Pennsylvania educators must maintain their teaching certificates as active by earning six collegiate credits, six Pennsylvania Department of Education-approved in-service credits, 180 continuing education hours, or any combination of the above every five calendar years. Sign up at Fleisher today to earn your credits!
